Southern Gold Limited: Company Profile

Southern Gold Ltd is a successful gold explorer listed on the Australian Securities Exchange (ASX ticker “SAU”). Southern Gold owns 100% of a substantial portfolio of high-grade gold projects in South Korea that are largely greenfield epithermal gold-silver targets in the south-west of the country. Backed by a first-class technical team, Southern Gold’s aim is to find tier one epithermal gold-silver deposits in a jurisdiction that has seen very little modern exploration.
